Penalty and Interest

About Your Notice - The penalty and/or interest charges on your account are explained on the following pages. If you want a more detailed explanation of your penalties and interest, please call the telephone number listed on the top of this notice. You may call your local IRS telephone number if the number shown on your notice is a long-distance call for you. All days mentioned in the paragraphs below are calendar days, unless specifically stated otherwise.

Penalties:

01 Penalty for Filing Return Late \$1,846.57

We charged a penalty because you filed your return late. We use the number of months the return is late to determine penalty. If you filed more than 60 days late, the minimum penalty may apply. The minimum penalty is the lesser of \$100 or 100% of the tax due. If you disagree with this penalty, see "Removal of Penalties" in this notice. To avoid this penalty in the future, you should file your returns by the return due date.

(Internal Revenue Code section 6651)

02 Penalty for Not Paying a Proper Estimated Tax for Individuals, Estates, and Trusts \$235.17

We charged a penalty because you did not pay a proper quarterly estimate of your tax. For more information, see Instructions for Form 2210 or Publication 505, Tax Withholding and Estimated Tax.

(Internal Revenue Code section 6654)

07 Penalty for Paying Taxes Late \$1,148.98

We charged a penalty because you paid your taxes late. We count part of a month as a full month. If you disagree with this penalty, see "Removal of Penalties" in this notice. To avoid this penalty in the future, you should pay your taxes by the due date. Even if you have an extension to file your tax return, you do not have additional time to pay your tax.

(Internal Revenue Code section 6651)

The table below shows how we figured your penalty. It may include amounts charged before the Adjustment. We multiplied the number of months times the monthly rate (1/2 percent) times the principal (not to exceed 25%).

Date	No. Months	Rate/Month	Principal	Penalty
08/15/2007	28	0.50%	8,207.00	1,148.98
Total Penalty:				1,148.98

Removal of Penalties

005873 The law lets us remove or reduce penalties if you have reasonable cause or receive erroneous written advice from IRS.

Reasonable Cause

If you believe you have an acceptable reason why IRS should remove or reduce your penalties, send us a signed explanation. After we review your explanation, we will notify you of our decision. In some cases, we may ask you to pay the tax in full before we reduce or remove the penalty for paying late.

Erroneous Advice from IRS

We will remove your penalty if all the following apply:

1. You asked IRS for advice on a specific issue,
2. You gave IRS complete and accurate information,
3. You received advice from IRS,
4. You relied on the advice IRS gave you, and
5. You were penalized based on the advice IRS gave you.

To request removal of the penalty because of erroneous advice from IRS, you should do the following: (1) complete Form 843, Claim for Refund and Request for Abatement; and (2) send it to the IRS Service Center where you filed your return.

Interest:

09 Interest

~~We charged interest because you did not pay your tax on time. We multiplied the factor times the principal. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay your tax in full. The interest rate is variable and may change quarterly. We charge interest on all penalties except estimated tax penalties.~~
